- 18 You shall not enter into or remain in any establishment where alcohol is the primary item of sale.

CAUSE

A review of Mr. Peters supervised release conditions reveal there is a condition to address the need for a substance abuse evaluation and testing for illegal substance, but it does not prohibit the use of alcohol. The defendant completed a substance abuse evaluation, which recommends he participate in the Intensive Outpatient Program (IOP). Mr. Peters has a condition to not drink alcohol to an excess, however, the program has a total abstinence policy, therefore, in an effort to support Mr. Peters successful completion of the program, he has agreed to the noted modifications.

I declare under penalty of perjury that the foregoing is true and correct.
